

Ph.D. Gathering Prior to Kjønnforskning Nå!: Workshop in Writing with Prof. Nina Lykke

Time and place: Wednesday June 7th at Centre for Gender Research, University of Oslo

Every other year, the National Research School in Gender Studies arranges a gathering for Ph.D. candidates prior to Kjønnforskning Nå! Here we work concretely with challenges regarding gender analysis and writing. We provide ample time to discuss dissertation projects in smaller groups. Ph.D. candidates from all over Norway meet and get to know each other better.

This year, **prof. Nina Lykke**, author of (amongst other) *Feminist studies: a guide to intersectional theory, methodology and writing* (Routledge 2010), *Theories and methodologies in postgraduate feminist research: researching differently* (with Rosemarie Buikema og Gabriele Griffin) (Routledge 2011) and *Writing academic texts differently: intersectional feminist methodologies and the playful art of writing* (2014), will lead a workshop in writing. Welcome to an exiting event!
